

## Key Words

Cosmology	The study of the origin and development of the universe
Evolution	The process by which different kinds of living organism are believed to have developed
Conflict	In opposition; a struggle.
Complimentary	Fits well together; praises one another
Genesis	The first book of the Bible that contains the Christian account of the creation. Some Christians believe <i>Genesis</i> is literally true, others that it is a poetic account of an amazing Creator and Creation.
Creationist	A person who takes the <i>Genesis</i> story to be literally true.

## Creation and Science. Conflicting or complementary?

## Now...

I can outline the importance of Creation in the 'Big Story' of the Bible.

I can identify what type of text some Christians say the creation account in *Genesis* is and how they interpret it.

I can make connections between *Genesis* 1 and Christian belief about God as Creator.

Show understanding of why many Christians find science and faith go together.

Comment on whether key ideas from *Genesis* 1 are helpful or inspiring for both our own life and society as a whole
