

Busy Bees Pre-School

Busy Bees runs from the Sandy Lane Centre in Sandy Lane, Brown Edge and caters for children aged 2-4 years. Our typical sessions operate 9-12pm and 9-3pm but we also accommodate children from 8am onwards and up to 3-45pm by special arrangement.

We also run a holiday club for children aged 2-8 years of age on a Tuesday and Thursday to provide help for working parents during the holidays and to keep continuity of care for our younger children.

Busy Bees has very good links within the village, inviting parents, families and members of the local community to its fundraising days and events, maintaining a good working relationship and partnership to promote inclusion and socialisation.

We have a special partnership with St Anne's C of E Primary School where we hold a session for our pre-school children every Monday morning. This ensures a good transition for our children who will be attending the Early Years class the following September and ensures our "pre-schoolies" are familiar with the School and everyone who works there.

St Anne's also involves Busy Bees in activities that they do including sports day, watching the Christmas concert and any other activities that are beneficial to both the pre-school and the School.

If anyone wishes to contact Busy Bees please email BrownEdgeBusyBees@hotmail.com or Telephone 07523034812.
