**RE : AUTUMN TERM 2023 - YEAR 6 NEWSLETTER**

We hope everyone has had a good summer and managed some rest and relaxation.

It has been great welcoming the children back into school this week. They have settled in brilliantly and we are all looking forward to getting into a new routine.

Below is a list of what we will be doing this term in all subjects. As you are aware Mrs. Aston and Miss Turner will be continuing to teach the class English. Mrs. Sims will be supporting the class in both English and Maths. The afternoons will be shared between us both to ensure consistency for the class. PE kit needs to be worn on a Friday please but it is helpful if trainers re in school each day for Take 10.

As always, we will be basing our English on popular children's texts and producing writing of different styles whilst completing activities surrounding reading. We will also be improving our grammar, handwriting and spellings. Where possible, we will be making links to our topic which for this term is "I'm an evacuee, get me out of here".

Subject	Autumn 1	Autumn 2
English	The Journey Letters from the Lighthouse War time Poetry	
Maths	Place Value, Four Operations and Fractions	
Science	Light	Electricity

## MATHS

Maths homework will be sent out weekly to be completed in Maths Homework books. We encourage children to access Mathletics weekly - tasks will be assigned on this and monitored online. Maths homework will be set on a Wednesday and is to be completed by the following Monday.

If children have any problem with any aspect of their maths work they are asked to have a quiet word with Mrs. Aston or Mrs. Sims.

## ENGLISH

Children will be given spelling homework through the usual format of a spelling booklet with a short activity to be completed Monday- Thursday night and handed in by the Friday. I have also attached a spelling list and children have been given a paper copy too. These are from the national statutory spelling list for Year 5 and 6. Additional homework activities for English will be sent on a Wednesday also and will be completed in the children's homework books.

Spelling is a life skill and one that is tested 3 times over within SAT's: in a formal spelling test, within the children's everyday writing which is teacher assessed and within their SAT's grammar paper. Many children are able to learn spellings for a test but forget these spellings and spelling patterns soon after so we are hoping that a quick but consistent reinforcement will support your child in becoming a better speller. We really appreciate your support in this, but if you find your child is struggling with this please email Miss Turner about possible techniques. We teach spelling in class using Read, Write, Inc Spelling and give children opportunities and resources to help them become good spellers.

There will be a letter being sent out in due course regarding Accelerated Reading and please bear with us while we introduce this system as it is new to us all!

Please do not hesitate to email should you have any questions. There are always helpful links on our school website as well as the use of the Reading Prompt booklet which gives you support in how to question your child about what they have read. As well as just listening to your child read, it is important to discuss the text with them.

Yours sincerely,

Miss Turner

Mrs. Aston
