FOR THE ATTENTION OF THE PERSON WITH PARENTAL RESPONSIBILITY

RE : FACEBOOK

As previously communicated via text and our newsletter, we have set up a St. Anne's C.E. Primary School Facebook page. Many of you are already members and we are increasingly improving our communication network with parents and carers by including things that are going on in School.

However, many parents have expressed a wish for more photographs to be put on the page showing some of the activities that children are doing. Currently, we have permission for all children's photographs to be used on our website, and we would like to showcase some of the superb activities going on in school and images on the website, on our Facebook page. We will not publicise names alongside the photographs.

For this to happen, we need your permission to comply with GDPR regulation. If you do not give permission, we will, of course, not put your child's image on Facebook.

Also, in order to reduce our costs and also to become more eco-friendly, we are looking at putting the newsletter exclusively on Facebook and our website-rather than issue one to every child. There will still be paper copies available in the School Office. We will communicate when these are available. Please let us know your opinion below.

Yours sincerely,

Mr E. Hobson
Headteacher
